

## WHITE HART LANE LEGENDS

VOLUME ONE

Keith Palmer

With a rich history of winning trophies and friends with their unique brand of free-flowing, push-and-run football, White Hart Lane Legends tells the personal stories of some of the men behind the famous Tottenham "Glory, glory nights", England's first League and Cup 'Double' winning team of the modern era, plus more recent cup successes.

Read about goalkeeping icon Pat Jennings and his infamous move across the 'great divide' to hated rivals Arsenal, catch up with the last Englishman to hold aloft the UEFA Cup, the barrel-chested Graham Roberts, and take in the story of the man who played over a thousand games in a Spurs shirt, ex-skipper and true legend, Steve Perryman.

White Hart Lane Legends is a must for any true fan tired of mere facts and figures – these are real stories from the mouths of real Tottenham heroes. Make Sure it's on your Christmas presents list!!
